

District Of Columbia Nonprofit Bylaws

Select Download Format:

Ed Haggins has called creativity, the unoriginal, "the original sin of the modern world." It is not surprising that he has written not only a book about the history of the word "creativity" but also a book about the history of the word "originality." This is a book that is both a history of the word "creativity" and a history of the word "originality." It is a book that is both a history of the word "creativity" and a history of the word "originality." It is a book that is both a history of the word "creativity" and a history of the word "originality."
